CAREER OBJECTIVE

Creative and detail-oriented UI/UX Designer seeking an opportunity to design user-friendly and visually engaging digital experiences. Passionate about solving problems through modern design and continuously learning new UI/UX practices.

WORK EXPERIENCE

UI/UX Designer | Seyonix (Startup)

Pune, India · Oct 2025 – March 2026

- Designed user-friendly web and mobile application interfaces focused on usability and modern UI principles.
- Created wireframes, prototypes, and user flows using Figma.
- Collaborated with developers to maintain consistent and responsive design systems.
- Improved user experience through clean layouts, intuitive navigation, and accessibility-focused design.

Freelancer | Techiii - Logo (Startup)

Pune, India · Jun 2025 – Aug 2025

- Collaborated with the founding team to conceptualize and design the company's official brand logo.
- Assisted in early-stage branding and visual identity development.
- Contributed creative ideas in a fast-paced startup environment.

PROJECTS

► Wooberry – Healthy Fruit Smoothie Website

- Designed a modern website concept for a healthy fruit smoothie brand with engaging product layouts.
- Improved user interaction through clean UI elements and contemporary branding.
- Project Link: <https://bit.ly/4dtl5z1>
